ABOUT US

Incorporated in 1995 and headquartered in Chennai, Cameo Corporate Services Ltd. is one of the fastest growing ITeS firms in India, providing a wide range of quality services to clients across India and the USA.

Voted the 5th fastest growing ITES firm in India for 2012 by Inc. Magazine, our clients include some of the biggest and most noted listed firms in India and abroad. Our professionalism, dedication, client focus and a shared vision of growth with client's needs at the helm, has enabled Cameo Corporate Services to chart a path towards excellence.

We have an extremely successful track record in processing large volumes of transactions for clients with the strictest focus on quality execution in a time-bound manner. Our wide geographical presence with offices across India and the US employ over 2800 employees who serve over 350 clients, some of them being the finest and largest listed firms in the country.

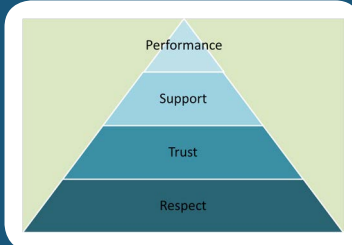

We provide the following services:

- ★ Electronic Document Management & Digitization
- ★ Physical Records management and custodial services ----- see more

- ★ Registry and Share Transfer ----- see more
- ★ Healthcare Transcription ----- see more
- ★ Banking ITeS ----- see more
